To the Class of 2013

I extend warm regards to you, the Class of 2013, for a job well done. You have reached a wonderful milestone in your life, and I commend you for your extraordinary achievements during the last four years. This class has impressed the faculty and community with your academic, athletic and artistic successes. As you have blossomed from the questioning, hesitant ninth graders to the confident and hardworking senior class of Manchester Essex Regional High School, you have shared your abilities, skills and gifts.

Your fellow classmates and your communities have been enriched through the quality of your actions. I urge you to continue to nurture those skills and abilities as your lifelong learning takes on new directions and focus.

Reflect often on those who helped you along the way; understand that your school, family and friends take pride and have a great affection for the fine young adults you have become today. Embrace the opportunities presented to you and you will discover the passions and interest that make a life of worth, value and integrity.

I encourage you to follow your dreams and accomplish your goals. Dedicate your time to making a mark for the global good and leave an impact of positive energy in your pursuits.
Best wishes in all the years ahead, may they bring you happiness and fulfillment.

With Sincere Regards,
Sharon McLaughlin Maguire
Ms. Sharon McLaughlin Maguire, Principal

The Class of 2013 happily dedicates this yearbook to Mr. Joe Lucido

Too much of our lives are spent paying no attention to the man behind the curtain. Administrators and teachers are praised, criticized, and recognized each day, but if it was not for the foundation in which they were surrounded, no school would exist. It is Mr. Lucido, the man behind the curtain, who allows our school not only to survive, but to thrive.

Mr. Lucido has had a hand in every successful piece of our school, from helping the Green Team with the Lucidomatic, to preparing sports and refereeing football games. He has even played a major part in designing the building that allows our school to exist in the first place. He has done all of this with a smile, despite his lack of credit for the massive effect he has had on our high school career. And so, it is our great pleasure to begin this great recognition by dedicating our yearbook to Mr. Lucido. Thank you so much for all that you have done for us!

Love,
The Class of 2013

Thank you, Mr. Harvey!

Dear Mr. Harvey,

Thank you for being the class advisor for the Class of 2013! During freshman and sophomore years, our class didn't even know where to start when it came to fundraising for our senior year. You were able to come to our rescue at the very beginning of our junior year and get us motivated to get some work done.

You came in completely new and quickly got to know everyone. You were immediately ready to help us begin to raise money to have a good senior week, and you took any necessary time to brainstorm ideas, plan and execute fundraisers, and listen to what everyone had to say. As our senior year nears its end, we have a wonderful prom and great senior week to look forward to that will bring us together as a class before we finally graduate.

On behalf of the senior class, the officers want to say thank you, Mr. Harvey, for helping us reach our goals and for getting us this far.

From the senior class officers:
Calvin Lamothe, Austen Coviello, Ellie Mortillaro, and Dustin Ferzacca
and the entire Class of 2013

To the Class of 2013

We can't believe how fast this year has gone by. It seems like just yesterday we were walking through the doors of the brand new school on our first day of freshman year, beginning our high school careers. Now graduation is just around the corner, and we're beginning to realize how little time there is left before we all go our separate ways. Now more than ever we have to savor the moments we have together as a class that we will remember long after we leave school. This yearbook is full of memories throughout the last four years, and we hope everyone will treasure it as much as we do as a way to look back and rekindle the good times we have shared.

We wish everyone the best of luck with whatever the future may bring and that everyone will always remember the unforgettable times we shared at Manchester-Essex.

We would also like to thank Mrs. Maguire for the work she has done throughout the years at Manchester-Essex. She has helped so many of us as a guidance counselor and also took us on as a principal, making sure we had a good, memorable senior year. Thank you Mrs. Maguire! This school will miss you!

Love always,
Austen Coviello and Nicole Bradley
